### SPORTS PHILOSOPHY

Kids who play at the Y learn more than just the game. We provide positive, fun activities that build athletic, social and interpersonal skills that lead to better behavior, healthier lifestyles and even academic achievement.

### PREMIER SPORTS

Our premier sports programs provide an excellent foundation for the future's leaders. Kids who play sports at the Y will not only shoot for the basket, but also for the stars. By working together on a team, kids will realize their full potential, gain self-confidence and leave each season with something worth more than a winning record.
