Event #1 - Spider Web and Mohawk Walk (Location: Low Ropes Course)

Each team must get the entire team from one side to the other through a manmade rope spider web without touching the rope. Once one opening in the web has been used it cannot be used again. For the Mohawk Walk, teams will be timed as they walk along a suspended wire course. Event #2 - Capture the Cow (Location: Barn)

Each team gets a cow bell. Two (2) teams will compete against each other to try to capture the other's bell and return to their side of the barn without being tagged. If you are tagged on the way the bell is dropped at that point and the game continues until the bell is fully on your side of the barn. **This event is best with 12-14 participants**

Event #3 - Zipline (Location: Zip Lines)

TWO teams will travel down the zipline with four (4) beanbags in hand, trying to drop them in four (4) buckets on the ground. The higher the drop, the more points will be given. **Two (2) people can go down the zipline at one time / 6-8 per team.**

EXAMPLE: Bucket 1 will be 20 points, Bucket 2 will be 15 points, Bucket 3 will be 10 points and Bucket 4 will be 5 points.

Each team of two will have the opportunity to shoot 4 arrows at the target blindfolded with the help of directions from your partner. Once the first partner has completed the task blindfolded, you will switch places and do it again. The team with the most points will win.
