

# YMCA First Coast Games

## Frequently Asked Questions

### How do I register to participate in First Coast Games?

Once your company's participation is confirmed, you will receive internal communication about the online registration process.

The main point of contact for our corporate teams will have a contact list of the individual sport captains. Please connect company participants if there are questions about joining a specific team.

### When do the events take place?

In 2017, First Coast Games events will take place in the spring/summer months (April 22 – August 5). Events are scheduled one at a time – not ongoing throughout the games. The event calendar has been provided to all corporate teams.

### Can my spouse play on my company's team?

Unfortunately no. Unless your spouse works for the same company. At this time, First Coast Games remains a wellness challenge with our corporate partners.

### Is there a fee to participate?

Yes, there is a fee for the corporate team based on the number of participating employees and the type of package selected. There is no individual participation fee.

*Please note: this fee is not based on the total number of employees at your company – ONLY the number of participating employees.*

### Can my company participate in only 1 or 2 sports?

We ask all corporate teams to select from ONE of 2 team packages: **Pick 6** or **To Win and To Play**. More information can be found at [www.firstcoastymca.org/first-coast-games](http://www.firstcoastymca.org/first-coast-games)

*\*There is an a la carte option for corporate teams if a team would like to purchase an additional team per sport. This cost is \$500 per additional event team. Please contact Dana Troeger for more information [dtroeger@firstcoastymca.org](mailto:dtroeger@firstcoastymca.org).*

### Do I have to participate in every sport my company selects?

No. You can participate in as many of the selected sports as you wish. Whether you participate in ONE sport or many of them, your spot on your company's team still counts as ONE.

### How competitive is the competition?

Our events are divided into TWO Categories: **TO WIN** (slightly more competitive trophy sports / team building) and **TO PLAY** (relaxed rules, larger roster sizes and fun, easy team building)
