Saturday, March 3

2:00pm – 5:00pm

duPont Family YMCA

Youth Development Campus

7373 Old Kings Road South

As always, we invite all participating teams to join us for our Field Day and Minute-To-Win-It events, including the triumphant return of Tug-of-War!

Teams will receive official FCG shirts at the beginning of the event and also have the opportunity to take part in biometric screenings to kick-off the Healthy Living Challenge.

NEW this year, as a way to earn bonus points, we invite teams to bring their best chefs and/or grill masters and prepare something for the event participants to enjoy after the day's festivities! After the team games, everyone will get the opportunity to vote for their favorite dish and one chef will be declared the winner!

Email Dana Troeger at dtroeger@firstcoastymca.org to sign up for the cook-off or with other questions.
